- [Helpful Links](#) - Helpful community links.

The City of Gladewater's identity is characterized by the dedicated elected officials, a professional staff and the efficient delivery of public services, all united by the City logo. The logo embodies a sense of history, consistency and progression. The design, including the oil derrick and pine tree suggests a respect for natural resources on which the City was founded. The half moon with stars symbolizes vision with the slogan, "Treasuring the past while embracing the future".
